

Compliment Tips:

Be SINCERE (honest). What do you admire/appreciate about the person? Even if you aren't close friends with a classmate, you can find good in EVERYONE.

Try to be specific. Think about the kind of compliments you would like to receive. Would you be happy if everyone just said "nice" or "cool?"

You can compliment someone for:

- 1) Their appearance
- 2) Their intelligence/the kind of student they are
- 3) Their talents/abilities/accomplishments
- 4) Their personality traits (how they act)
- 5) The kind of friend they are
- 6) The way they make you feel

You can start your compliment by saying:

You're really good at...

You are a talented (singer, artist, Fortnite player, etc.)

Thank you for...
